ACTIVITIES REPORT

In the past, Government Welfare Schemes have been implemented through community organizations in the NGO Sector, in every corner of the country through Departments of CAPART, National Commission for Women (NCW), Rastrya Mahilakosh (RMK), National Environment Awareness Campaign (NEAC), Central Social Welfare Board (CSWB) etc...,

Many CSR companies like Jindal, Tata and Amalgamations helped for social activities with good donations to NGO's.

But instead of allowing donations, the rulers have created problems for charitable organizations by playing politics attempts.

We PWDS, have not been able to continue to provide services to poor and needy on a big scale due to the withdrawal of the above assistance by Mr. Modi-led, Indian Government.
